

What is the Printrove Merchant Panel?

The Printrove Merchant Panel is a powerful tool designed to help print-on-demand sellers manage their online stores and streamline their business operations. It offers a user-friendly interface with various features. Explore the Merchant Panel to utilise its features to your advantage. Let's get right into it!

The [Merchant Panel](#) looks like this.

The Top Bar

The Top Bar includes:

- **Add Credits**

You can click on the plus icon  to **add credits** to your Printrove Account.

- **Current Balance**

You can refer to the **amount** ₹0.00 to know the current credit balance in your account.

- **Refresh Credits**

Click on the **refresh** icon  to update the current balance.

- **Notifications**

Refer to the bell icon  for any **notifications**.

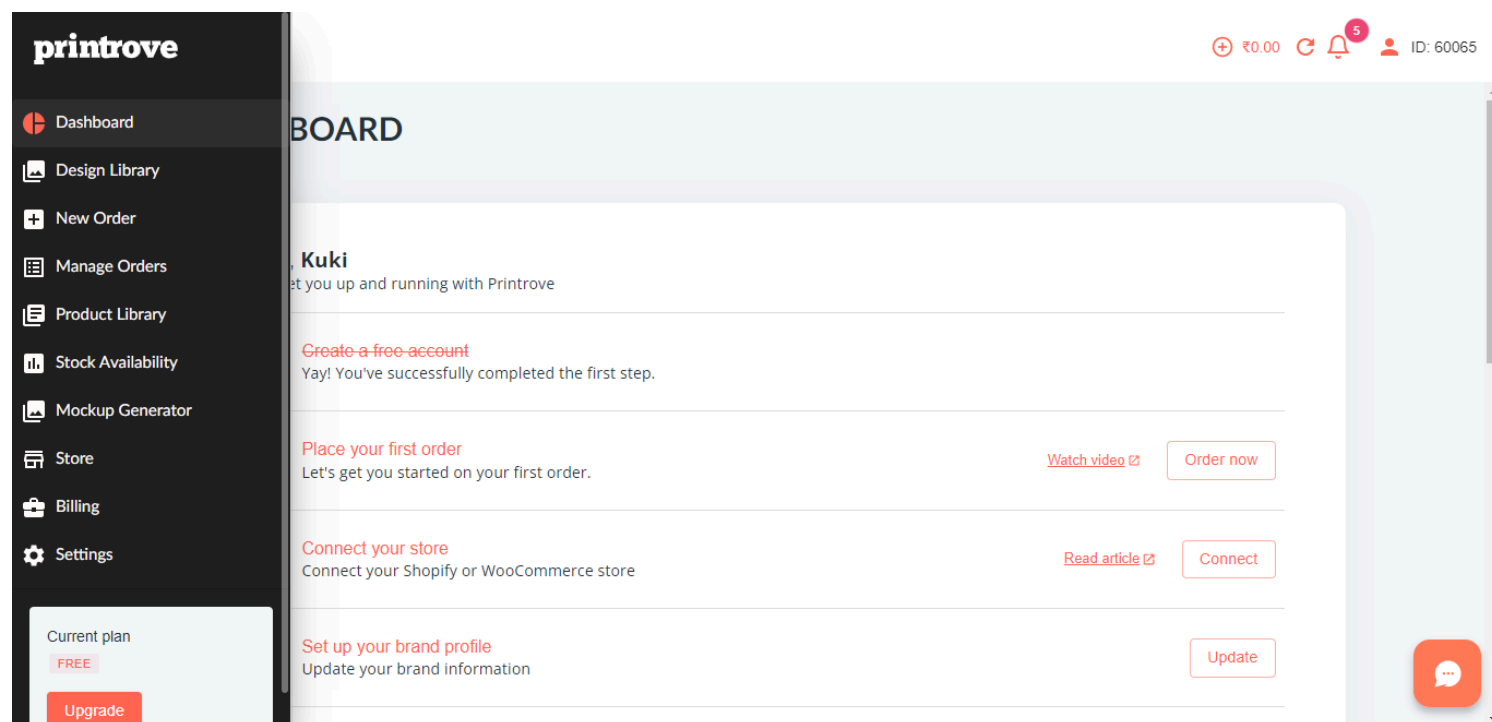

- **User**

Click on the User icon  to access **Settings** or **Logout**.

- **Merchant ID.** ID: 60065

The Merchant ID is your **unique identification code** at Printrove. You can use the Merchant ID for Account related concerns.

The Side Bar

Hover over to the **Side Bar** to reveal different sections of the Panel. Scrolling down below the Side Bar will allow you to refer to the **Current Plan**.

If you are operating the Merchant Panel with a Free Plan, you can click on the **Upgrade** button below to upgrade to the Business Plan.

 You can refer to the following article to know more about the Business Plan.
[What are the benefits of the Business Plan?](#)

Help Button

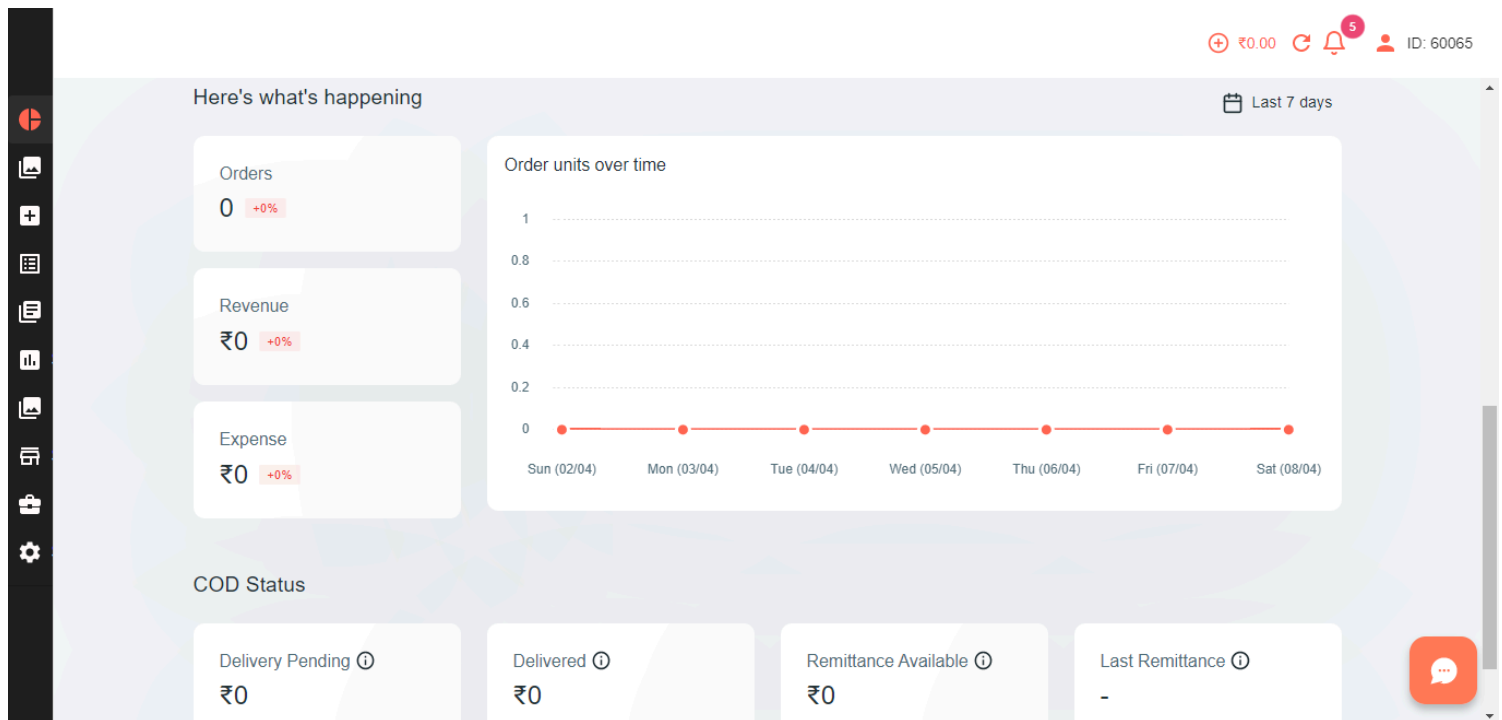

If you need any assistance you can click on the Help Button at the bottom right corner.

You can **access** the Knowledge Base Articles and **create** Tickets through the Help button.

Dashboard

Once you have set up your brand, you can skip the steps visible on the Dashboard and move on to the Analytics.

You can utilise the above Analytical Dashboard to keep a track of your orders, expenses, revenue, COD orders, and overall activity on Printrove.

In conclusion, the Printrove Merchant Panel is a **feature-rich** platform that offers a comprehensive set of tools to help POD sellers manage their online stores efficiently. With the Top Bar, Side Bar, Help Icon, and Dashboard, sellers can easily navigate through different sections of the Merchant Panel, **access important features**, **seek help** when needed, and **get insights** into their store's performance. Exploring and utilizing the various components of the Merchant Panel can **empower** sellers to effectively manage their POD business and drive **success**.
