How to upgrade to a Business Plan?

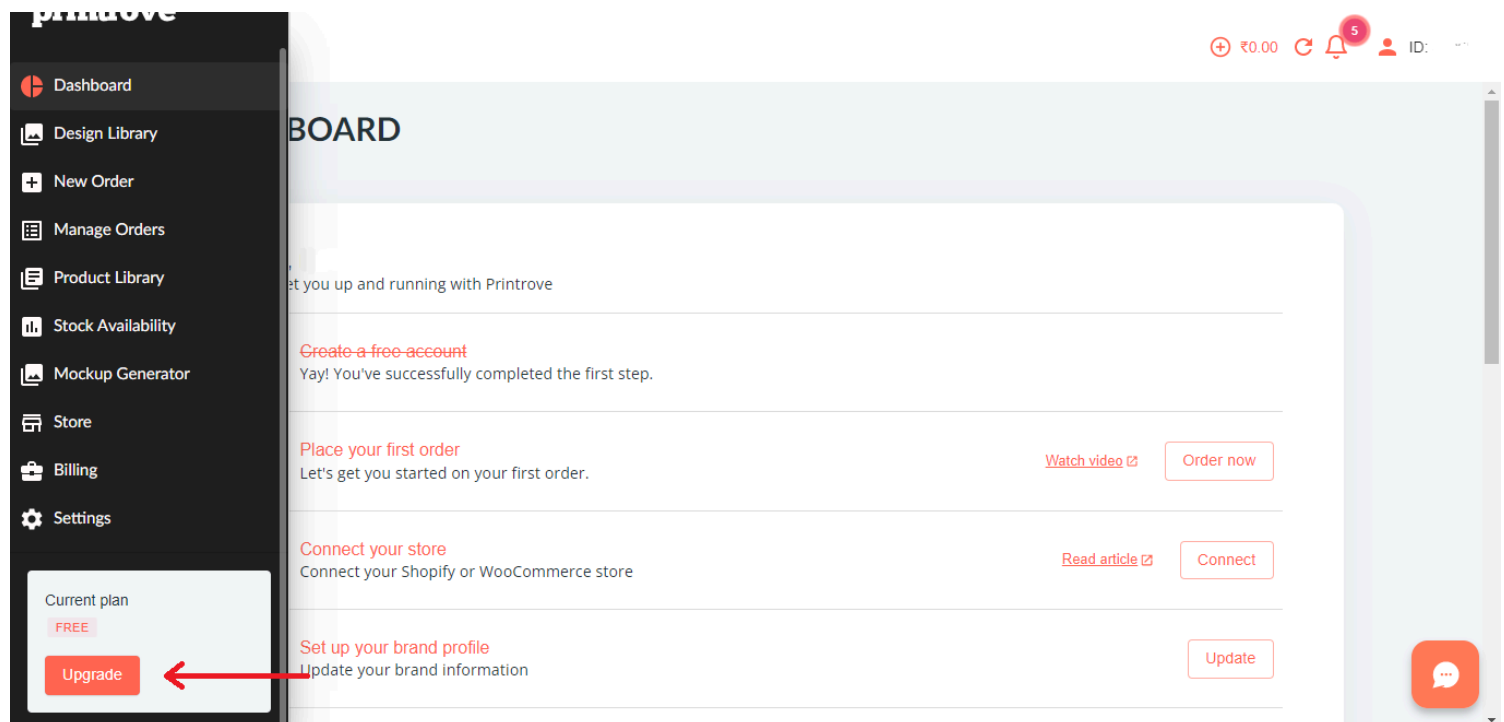

To upgrade to the Business Plan, you will be required to make a **one-time payment** of **Rs. 5000**, which will be added as **credits**. These credits can be **utilised** for placing orders.

📄 All order-related payments at Printrove are debited and credited through the system of credits, which is **non-refundable**. However, you can utilise the same for personal use since you will have lifetime access to the same. You can refer to the following article to know more. [How does Printrove charge you?](#)

You can follow the steps below to upgrade to the Business Plan.

Step 1: Log in to the [Merchant Panel](#).

Step 2: Head over to the side bar and scroll down to the current plan to click on **Upgrade**.

Step 3: Complete the transaction to add Rs. 5000 as credits to the Printrove Account.

Done! Your account will be upgraded to the Business Plan **instantly** and you will have **lifetime access** to the same. You will now be able to use the amount/credits to place orders worth Rs. 5000.

📄 You will not be required to maintain a minimum balance.
