

Does Printrove offer Warehousing and Fullfilment services for my Bulk orders?

Yes, we do! Printrove maintains an inventory of your products and can dispatch them **on demand** with a minimal Pick and Pack fee of **Rs. 20 + GST** per product. This fee covers the cost of picking the product from our warehouse, packing it, and preparing it for shipping. With our warehousing and fulfillment services, you can **save time** and **effort** on storage and shipping logistics and focus on growing your business.
