How to create a Printrove Merchant Account?

The first step in collaborating with Printrove is to create a Merchant Account. The Printrove Merchant Account will serve as your store's **backend operations dashboard**, assisting you with setting up your brand and order management.

Create a Merchant Account with Printrove in just **6 simple steps**.

Step 1: Click **here** to sign up with Printrove.

Step 2: Fill in your basic details like Name, Contact details, Email address and **set** your Password.

> 📄 Please note that the email address will be used to **access** the merchant panel. This is also the **default** email Id for **all communication** between Printrove and you. The registered email address can be **edited** later if the need arises.

Step 3: Carefully, **read** the terms and conditions and **click** on the checkbox for "I have read the Terms and Conditions" if you agree.

Step 4: Verify the CAPTCHA and **click** on **Create Account**.

> ⓘ CAPTCHA's goal is to check if a **user** (of an app or a website) is a **real person** or a bot.

 Step 5: **Verify** your email ID by **clicking** on the link sent to your email address.

Step 6: Sign in to your Printrove Account.

Congratulations! Now, you are officially a Printrove Merchant.
